PROPER COLLECTION DAY CART PLACEMENT ON CURBSIDE

We need your help to serve you better and to improve collection efficiency!

STEP 1 ROLL

Place all items inside the cart, close the lid completely and safely ROLL the cart to the edge of the curbside. Please bag all trash to prevent litter.

STEP 2 PLACE

PLACE the cart at the edge of the curbside with the wheels and handle facing the house and the lid opening toward the street.

STEP 3 SPACE

Make sure there is nothing in front of the cart and at least 3 feet of SPACE or clearance on all other sides. Do not place any trash on the lid or beside the cart. Everything MUST be in the cart for collection.

Please remember, **keep a minimum of 3 feet of space** between carts and other objects.
